Sorry I am unable to attend the **ground breaking ceremony**.  
I know this has been an up hill struggle, but great things do take time.

Congratulations to **Mayor Sharpe James, County Executive James Treffinger and Freeholder President Joe Di'vencenzo**  
your hard work is finally paying off.

I know the **Stadium** and the team will be a huge success, I will do everything in my power to make this succeed also

I promise not to forget what is important here, and that is the **community** and the **surrounding areas**, and the **children living nearby**.

Please accept my sincere best wishes for a **speedy construction** of this very important project.

Yours truly,

Rick Cerone
